

Blue Devil

Hank Williams III

I used to have a nice life, I used to live by the right
But I've strayed from the good side of the Lord
And I flirted with the Devil and he dealt me a card And he told me that you will never win
And he told me that I was his best friend
I had nothing to go home too
So I sold my soul to the Devil, now I'm blue I never thought it could be this bad
Hurtin' like this, oh, it's killin' me bad
And now I'm stuck in a life of pain
And I got the Devil takin' me away And he told me that you will never win
And he told me that I was his only friend
I had nothing to go home too
So I sold my soul to the Devil, now I'm blue
So I sold my soul to the Devil, now I'm blue
