

# All Night Thing

## Temple of the Dog

She motioned to me that she wanted to leave  
And go somewhere warm, where we'd be alone  
I do not know, what's going on but I'm guessing  
It's an all night thing, yeah, it's an all night thing If it's an all night thing, nobody is gonna make it end  
And if it don't begin, don't worry that I'll that offense  
If it's an all night thing and we fall like a tear falling to the ground  
I'll never come around and you'll never hear a word from me  
If it's an all night thing I walked along, feeling at ease  
And falling like rain into her scheme  
She won't let on what that'll be but I'm guessing  
It's an all night thing, yeah, it's an all night thing If it's an all night thing, nobody is gonna make it end  
And if it don't begin, don't worry that I'll take offense  
Yeah, if it's an all night thing and we fall like a tear falling to the ground  
I'll never come around and you'll never hear a word from me  
If it's an all night thing
