

# Do What You Wanna Do

## Mocca

Take it easy my friend  
Grab the chance while you can  
It's time for us to move on  
Let the world sing you a song Take it easy my friend  
Wipe the tears from your eyes  
There's a magic in the air tonight  
High in the light of your sky You've got to do what you wanna do  
(Do what you wanna do)  
Say what you wanna say  
(Say what you wanna say)  
Do what you wanna do  
And don't be afraid  
As long as everybody's happy  
And everybody's feeling okay  
You've got to do what you wanna do  
Say what you wanna say, now Make it easy my friend  
Cause the sour will come down  
Just be true to yourself  
Everything will be alright Take it easy my friend  
Wipe the tears from your eyes  
There's a magic in the air tonight  
High in the light of your sky Do what you wanna do  
(Do what you wanna do)  
Say what you wanna say  
(Say what you wanna say)  
Do what you wanna do  
And don't be afraid  
As long as everybody's happy  
And everybody's feeling okay  
You've got to do what you wanna do  
Say what you wanna say, now You've got to do what you wanna do  
Say what you wanna say, now  
You've got to do what you wanna do  
Say what you wanna say, now
