What Happened To Perfect

Lukas Graham

I can see it in your eyes as I'm stumbling home
You're living with a man that you no longer know
You forgot to smile, as I passed you byNow we're sitting down for dinner we got nothing to say
It's like I'm watching you slowly slipping away
From me, from meRemember when I used to make you laugh
And every joke was better than the last
Tell me how to bring you back to this
Maybe I just need to reminisce, and work it outWhat happened to perfect
What happened to us
We used to be worth it
We never gave up
It wasn't on purpose
But hurts like it was
Nobody deserve this
What happened to perfectIf you left me baby where would you go
I can't imagine you ever being alone
I'm a jealous man, but I'll try to understand
So many things to say I don't know where to start
I can't pick up the pieces of a crumbling heart
So true, so trueRemember when I used to make you laugh
And every joke was better than the last
Tell me how to bring you back to this
Maybe I just need to reminisce, and work it outWhat happened to perfect
What happened to us
We used to be worth it
We never gave up
It wasn't on purpose
But hurts like it was
Nobody deserve this
What happened to perfect
What happened to perfectWhat's under the surface
It used to be love
Would you call if you heard this
Would you know it was usIt wasn't on purpose
But hurts like it was
Nobody deserve this
What happened to perfect
Nobody deserve thisI can see it in your eyes as I'm stumbling home
You're living with a man that you no longer know

You forgot to smile
