Separate Ways

Teddy Thompson

Come rolling into town
Unaware of the power that you have over me
And what am I to do with, 'Hello, how are you'?
Nothing's ever said that should beAnd I don't care about you
If you don't care about me
We can go our separate ways
If you want toThe ties of love are strong
But they can be undone
And we'll go our separate ways
If you want toI'm turning into me, not you
I can change my mind not my blood
And not all who love are blind
Some of us are just too kind
We forgive too much and never speak our mindsAnd I don't care about you
If you don't care about me
We can go our separate ways
If you want toThe ties of love are strong
But they can be undone
And we'll go our separate ways
If you want toI'm giving up on you
And I'll turn my heart to something new
And we'll go our separate ways
If you want toI stood out in the rain, holding my breath
Waiting for you, you never came
You broke my heart, you broke my heart
I know who's to blame, you're to blameAnd I don't care about you
If you don't care about me
We can go our separate ways
If you want toThe ties of love are strong
But they can be undone
And we'll go our separate ways
If you want to
