

Ratblast

Numb

Ratblast
overdrive overdose
overkill not even close
additives sum up subtractive
multitude divides distractedratblast message
ratblast damage
ratblast message
ratblast live die in rage
Cassandra thrashing still alive
driven droves they climb and dive
decompression splattered walls
ramjet panic addict stallsskull kiss lead hot egocide
slaughterhouse jackboot pride
servoskinner churning meat
payments spat through broken teethratblast message
ratblast damage
ratblast message
ratblast live die in rageX the mark Y the mask
straight to nowhere in plastic bags
draining sands winding clocks
ticking talk your time...
... is up
ratblast message
ratblast damage
ratblast message
ratblast live die in rage
