

# Tell Me When

Alexander Rybak

Shes at home  
I hope that she is sleeping  
And thus I fall asleep, well meet in dreams  
Christmas-time is magic after all  
Tell me when  
I am loosing my mind  
Cause I am in love Tonight Im all alone, but still Im happy  
Cause soon, so very soon, tomorrow comes  
But I cant wait to hold her in my arms  
Tell me when  
I am loosing my mind  
Cause I am in love Merry Christmas  
I am loosing my mind  
Cause I am in love
