(where Do I Begin) Love Story

Andy Williams

Where do I begin
To tell the story of how great a love can be
The sweet love story that is older than the sea
The simple truth about the love she brings to me
Where do I start

With her first hello
She gave new meaning to this empty world of mine
There'd never be another love, another time
She came into my life and made the living fine
She fills my heart

She fills my heart with very special things
With angels songs , with wild imaginings
She fills my soul with so much love
That anywhere I go I'm never lonely
With her around, who could be lonely
I reach for her hand-its always there

How long does it last
Can love be measured by the hours in a day
I have no answers now but this much I can say
I know Ill need her till the stars all burn away
And shell be there

How long does it last
Can love be measured by the hours in a day
I have no answers now but this much I can say
I know Ill need her till the stars all burn away
And shell be there
