

# We Will Meet Again

## Pierce Pettis

If I don't get to see you,  
Will I see you again?  
And if I don't get to hold you,  
Will I hold you again?  
In the mystical union of a love that never ends,  
we will meet again

If I never told, how much you mean to me  
Some day I will show you  
And all the world will see  
In the middle of forever  
In the company of friends  
We will meet again

It's not a long, long time  
Just a twinkling of an eye  
Oh, I know  
We will meet again

When tears are wiped away  
There's a smile on every face  
I know we will meet again

So if we're ever parted  
Across the great divide  
And we find ourselves like orphans  
Each one on the other side  
Just as I love you now  
I will love you then  
And we will meet again

It's not a long long time  
Just a twinkling of an eye  
Oh, I know  
We will meet again

When tears are wiped away  
There's a smile on every face  
I know we will meet again
