

Nothing Left to Say

Staind

Talk To Me
You Never
Talk To Me
Do We Suffer
From
Social Atrophy
And When The Conversation's Over
When The Conversation's Over We've Taken What's Been Given
And We Throw It All Away Walk With Me
Come On And
Walk With Me
Take A Look
Around You
Do You Like
What You See We've Taken What's Been Given
And We Throw It All Away
It's Hard To Be Forgiven
When There's Nothing Left To Say When The Conversation's Over
The Silence Just Gets In The Way
Conversation's Over Talk To Me
Don't Ever
Talk For Me We've Taken What's Been Given
And You Throw It All Away
It's Hard To Be Forgiven
When There's Nothing Left To Say There's Nothing Left To Say
