Love On The Line

Barclay James Harvest

Love like a burning fire
Creeping up on you
Watch as the flame grows higher
Can you see it through?Don't you know the die is cast?
Got to keep on running faster than time
And you're riding high above
Are you gonna lay your love on the line?Out where the light is burning
There's a heart that's true
Sounds of the night returning
Put a spell on youDon't you know the die is cast?
Got to keep on running faster than time
And you're riding high above
Are you gonna lay your love on the line?
