Deadwood

Toni Braxton

Can't believe that I'm home all alone
Doesn't stop me from wanting to see you
Why the hell won't you pick up your phone.
Hello?Don't know which way is up anymore
No excuses and nothing to cling to
Boy you're shaking me right to the coreJust want to let you know
I won't let this one go
You've got me down but I ain't out
Think you got me good
Left me like some deadwood
I may be down but I'll turn it round
All my friends say that "I told you so"
They ain't making me feel any better
But it's up and it's on with the showGot me aching inside of my skin
No excuses and nothing to cling to
You will pay for this state that I'm inJust want to let you know
I won't let this one go
You've got me down but I ain't out
Think you got me good
Left me like some deadwood
I may be down but I'll turn it roundBoy you gon' see
A wiser me
And I won't break down
Easily
Hell no!
Just want to let you know
I won't let this one go
You've got me down but I ain't out
Think you got me good
Left me like some deadwood
I may be down but I'll turn it roundJust want to let you know
I won't let this one go
You've got me down but I ain't out
Think you got me good
Left me like some deadwood
I may be down but I'll turn it round
