If Only You Knew

Tarkan

It was the night
Before the harvest moon
I barely caught my breath
Looking at youOh, love is the sweetest pain inside
Oh, the answer to it all is right there in your eyesI think I could die tonight
Know that I don't have to live again
Make love for hours til our bodies
Your skin is my skinIf I could take the sun take the moon
Make tomorrow wait
If only I, if only I knew the wayIf I could speak
Release this quiet storm
Let you see my heart
Open warmOh, maybe then you could ease the pain
Oh, maybe this longing in my soul will make you wanna stayI think I could die tonight
Know that I don't have to live again
Make love for hours til our bodies
Your skin is my skin
If I could take the sun take the moon
Make tomorrow wait
If only I knew the wayIf I could take
The stars write your name
If I could stop this fire
Make it rainOh, I would be free of loving you
Oh, if only you were mine
If only you knew
