

# Human Behavior

## The Decemberists

If you ever get close to a human and human behavior  
Be ready, be ready to get confused and me and my here after  
There's definitely, definitely, definitely no logic to human behavior  
But yet so, yet so irresistible and me and my fear can  
And there is no map uncertain They're terribly, terribly, terribly moody of human behavior  
Then all of a sudden, turn happy and they and my here after  
But oh, to get involved in the exchange of human emotions  
Is ever so, ever so satisfying and they and my here on  
And there is no map and chair too Human behavior, human behavior  
Human behavior, human behavior And there is no map  
And a compass wouldn't help at all  
Yeah, uncertain Human behavior, human behavior  
Human behavior, human behavior  
Human behavior, human behavior  
Human behavior There's definitely, definitely, definitely no logic  
To human, to human, to human, to human
