Gemini

Boho Dancer

Yes, you sang your songs
You showed your sins
Hiding by the light
That shone for him

Throwing what you got
But will not choose
Dancing with this lifeless mind
To feel a beating
Cast this anchor deep
Just for a while
Moments will be captured
And last long while

Still you stand alone
In this restless glow
Your eyes so endless wide
All the things you sowed
Spread it out for air
The shipâ€™s not coming home

Am I elderly
Am I naÃ¯ve
Am I the middle man
The God, the speed

Sure I am a dualist
A Gemini
Free and shiftless
Forever heavy in the high

Still you stand alone
In this restless glow
Your eyes so endless wide
All the things you sowed
Spread it out for air
The shipâ€™s not coming home
