

Dream A Little Dream Of Me

Michael Buble

The stars shining bright above you
Night breezes seem to whisper I love you
Birds singing in the Sycamore tree
Dream a little dream of me
Say nighty-night and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me
Stars fading but I linger on, dear
Still craving your kiss
I'm longing to linger until dawn, dear
Just saying this
Sweet dreams till sunbeams find you

Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me
Stars fading but I linger on, dear
Still craving your kiss
I'm longing to linger till dawn, dear
Just saying this
Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of, dream a little dream of
Dream a little dream of me, of me
Dream a little dream of me
