

Anything for You

Jack Blades

How is it I
can't imagine a day without you there's a reason why
I get so unpredictably lost in your eyes and I'm feeling high, I'm feelin low
I'm losing all my self control
With all these changes coming down
Well there's no place for the broken hearted I will surrender baby to give love one more chance and be with you
Yes, surrender and whatever it will take, Now I will do, anything for you
So maybe I see the world from a different point of view
Can you set me right?
Cause I'm so undeniably lost in your smile
And I, I'm singin high I'm singing low
I'm takin off and I won't let go
All this talk can you tell me now
Is there still a place for me in your heart I will surrender baby to give love one more chance and be with you
Yeah, surrender and whatever it will take, Now I will do, anything for you. Now I will do anything for you
Oh yeah I will surrender, whatever it will take, anything for you I will surrender baby to give love one more
chance and be with you
Yeah I surrender and whatever it will take, now I will do.
I will surrender baby to give love one more chance and be with you
Yeah I surrender and whatever it will take, now I will do. Anything for you... Now I will do anything for
you... How is I, can make no sense of this, but you know I'd do anything for you
