

# I Don't Need It to Rain

**Tim Buckley**

I'm so happy mama you've come home  
I'm so happy they let you come home  
I know that you've been turning tricks  
Up and down the avenue  
And I've been reading it  
In the local news I don't need it to rain anymore  
I don't need it to rain anymore Now don't you rain uptown  
Don't you rain downtown  
No more  
Don't you rain downtown  
Oh please  
(I looked for you all over town)  
Trying to find you now  
I even looked down at the store  
But you were nowhere to be found I heard you talking  
(To an undercover tinsel queen)  
But I love her anyway  
I never do get tired of love  
When she's around  
So happy, so happy  
She came home  
I don't need it to rain  
Not any more Now don't you rain uptown  
Don't you rain downtown  
No more
