

Do it Up

DL Incognito

so you wanna take a ride with me?
yea you want a break but honestly... no
I'm not gonna save you and make it all alright get down with that it's going down tonight

first of all you gotta dance with me
and then ill tell you what its gonna be
come a little closer I'm not gonna bite
come on come on lets do it up tonight

[let's do it up] 2x

I don't want your time to be a friend
no
yea I could tell you now it's gonna end
and don't think you can save me that its no me and you
get down with that I know what we could do

first of all you gotta dance with me
and then I'll tell you what it's gonna be
come a little closer I'm not gonna bite
come on come on lets do it up tonight

I don't like pretending
you are mine
that is never ending
keep in mind
that were never gonna make it now yea
that were never gonna make it hey hey
never ever gonna make it

first of all you gotta dance with me
and then I'll tell you what it's gonna be
come a little close I'm not gonna bite
come on come on lets do it up tonight
[lets do it up!] repeat]

come a little closer I'm not gonna bite
come on come on lets do it up tonight
