

# Promise Ring

[Tiffany Evans](#)

To the B, to the B, to the B cuz I need  
Everybody to the floor, why? Cuz this beat is sick, yeah  
Its time to rock, uh, thats what it is  
Tiffanys her name, love is the game  
And the only way to play is with this promise ring Sometimes a girl needs to know that shes  
Appreciated for all the things she does  
With some sorta token of love  
Cuz without it her young heart wont know And right then to my surprise, he  
Pulled out a small velvet box, pink ribbon tied  
Im wondering whats inside  
He opened it and then he replied He said, I promise not to hurt you, I promise not to lie  
I promise to befriend you and defend you with my life  
I promise you forever, I promise you today, he said  
Would you wear my promise ring? I said yes If ya break ya promise we breakin up  
Got a couple things that I want  
Walks in the park and sweet things  
If I rock your promise ring I could be your pretty young thing  
You could become my king  
I gotta know you got me  
Yes, Ill rock your promise ring Yes, Ill rock your promise, promise, promise ring  
Yes, Ill rock your promise, yes, Ill rock your promise ring  
Yes, Ill rock your promise, promise, promise ring  
Yes, Ill rock your promise, yes, Ill rock your promise ring How in the world could a girl say no?  
I knew it the moment he made my finger glow  
It was good to know Im who he chose  
It was your heart he felt now it shows, now it shows You know when you see me floss  
No way its gon get lost, Ill never take this off  
Im older and they call me by your name  
Ill wear it on a chain, because I can hear you say He said I promise not to hurt you, I promise not to lie  
I promise to befriend you and defend you with my life  
I promise you forever, I promise you today, he said  
Would you wear my promise ring? I said yes If ya break ya promise we breakin up  
Got a couple things that I want  
Walks in the park and sweet things  
If I rock your promise ring I could be your pretty young thing  
You could become my king  
I gotta know you got me  
Yes, Ill rock your promise ring Yes, Ill rock your promise, promise, promise ring  
Yes, Ill rock your promise, yes, Ill rock your promise ring

Yes, Ill rock your promise, promise, promise ring  
Yes, Ill rock your promise, yes, Ill rock your promise ringEverybody get up and rock to this beat  
My name is Tiffany and yall know me  
All my girls with me, all the boys like me  
Come correctly with the promise ring  
And you just might be my boo, my booPromise that youll never let me go and boy Ill  
Boy Ill wear your promise ring  
All you have to do is say the word and boy Ill  
Boy Ill wear your promise ringJust let me know, just let me know, what I gotta do?  
Just let me know, just let me know  
You aint goin nowhere, I aint goin nowhere  
Ill be on for sure but you gotta know thatIf ya break ya promise we breakin up  
Got a couple things that I want  
Walks in the park and sweet things  
If I rock your promise ringI could be your pretty young thing  
You could become my king  
I gotta know you got me  
Yes, Ill rock your promise ringYes, Ill rock your promise, promise, promise ring  
Yes, Ill rock your promise, yes, Ill rock your promise ring  
Yes, Ill rock your promise, promise, promise ring  
Yes, Ill rock your promise, yes, Ill rock your promise ringIf I rock your promise ring  
Young thing, my king
