Anything Goes (feat. Ty Dolla $ign)

R. Kelly

(Beach)
(Oh oh)Hey
You baddest in your city I'm the realest in my city (oh yeah)
All my home boys rich all your home girls pretty (all your home girls pretty yeah)
Pull up all doors up in that Lamborghini (in that)
Wish I could fuck 'em all just playing but anything goes
When you a fine little bitch
And she bad like this
Anything goes with a nigga this rich
And it shine like this
Anything goes (oh oh)
Anything goes (oh oh oh)
Anything goes, anything goesWhen the diamonds on your wrist
And the engine sounds like this
And you drive slow just so they can see you oh
Girl when you got ass like that
And a pretty face just to match
I'm fly you out just to see you oh
You like to go shopping (like to go shopping)
I like it when you're topless (like it when you're topless)
I'm being serious but anything goes
Girl you already
And when I say anything
Anything goes, anything (yeah)You baddest chick in the city I'm the realest in the set yo
All we ever do is smoke weed take shots and have sex yeah yeah
I pull up on 4 G's in that Maserati, ay
Said you had to go to work but you still gave me top, yeah
You know I like that type of shit
I know you like that ?
These hoes so jealous of you and me
What about the passion got up on her shoulder right now (right now)
She probably don't know I know you know you told her
Oh I got you like I said anything goesThat bullet on your wrist
And your engine sounds like this
And you drive slow just so they can see you oh
Girl when you got ass like that
And a pretty face just to match
I'm fly you out just to see you oh
You like to go shopping

I like it when you're topless
I'm being serious but anything goes
Girl you already
And when I say anything
I mean anything goesPull up in that time machine
Ain't shit I would change though
I could buy your whole life
And still have me some change though
I'm just serious
'Cause I'm, tired of playing with niggas
Anything goes if you try me nigga
I throw a Cheque boy I'm talking eight figures oh oh
I put a pool on a jet
I save her number as elevator
'Cause that shit went down when we met yeah
'Cause anything goes, behind the closed door
Legs in the air clothes on the floor
Shit I love when I meet
A girl just like me 'cause anything goes
Anything goesWhen the bitches look like twins
But they say they're just best friends
Then you know damn well they both want you
Bout a hundred bottles of that Henny
And you've had one too many
And that Ihop is the only thing left to do
Girl what you gonna order (what you gonna order)
'Cause I know my order
You haven't had no particular order
Anything goesIf it wasn't for the finest cars and all the things I got
They would say no, they would say no, oh
And nigga that's real talk
That's why I'm quick to tell these hoes walk
You've had one, you've had them all
Till she came along oh oh
And she just changed my mind (changed my mind)
'Cause I love her demeanor
Man I knew when I see her
I fuck around put a ring on that finger
Anything goes, when I'm feeling crazy
Might just fly you to Haiti
Might go half on a baby
You never know
Anything goesWhen the diamonds on your wrist
And the engine sounds like this
And you drive slow just so they can see you oh

Girl when you got ass like that
And a pretty ass face to match
I'mma fly you out just to see you oh
You like to go shopping
I like it when you're topless
I'm being serious but anything goes oh woah oh
oh woah
