

Higher

Ricky Dillard & New G

My brother, my sister
You better jump on board
Where am I now is way to small
For what The Lord promised me Where I am now can't hold me
My situation can't hold me
It's my time for elevation
I'm on my way out of here
I have no other place to go but up
(Repeat 2xs) Right here, where I'm leaving
Higher, where I'm going
(Repeat 18xs) I have no other place to go but up
