Asphyxiate to Resuscitate

Cannibal Corpse

Always the same
Killing for years
You have died and
I brought you back
While you see the dark
I see the light
A light so dark controlling me
Altering who I'm supposed to beChoking
Starling
Breathless
Asphyxiate
Lifeless
Gasping
Breathing
ResuscitateChoking
Asphyxiate
Gasping
Resuscitate
Starling
Asphyxiate
Lifeless
ResuscitateChoking
Asphyxiate
Gasping
Resuscitate
Starling
Asphyxiate
Lifeless
Resuscitate
Asphyxiate
Resuscitate
Asphyxiate
ResuscitateYou have died and
I brought you back
While you see the dark
I see the lightYou have died and
I brought you back
While you see the dark
I see the light

A light so dark controlling me
Altering who I'm supposed to be
A light so dark controlling me
Altering who I'm supposed to be
