

You Don't Know Me

Mickey Gilley

You give your hand to me and then you say hello
And I can hardly speak, my heart is beating so
And anyone can tell, you think you know me well
But you don't know meNo you don't know the one who dreams of you at night
And longs to kiss your lips and longs to hold you tight
To you I'm just a friend, that's all I've ever been
You don't know meFor I never knew the art of making love
Though my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might love me tooYou give your hand to me and then you say goodbye
I watch you walk away beside that lucky guy
You'll never, never know the one that loves you so
You don't know meI never knew the art of making love
Though my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might have loved me tooYou give your hand to me and then you say goodbye
I watch you walk away beside that lucky guy
You'll never, never know the one that loves you so
You don't know meYou'll never, never know the one that loves you so
You don't know me
