

# Forever Isn't Long Enough (Album Version)

**Michael Bolton**

The tickin' of the clock, the beating of my heart  
Pounding like a drum in the dark for you  
If I could conquer time, I'd love you day and night  
And make this moment last, baby, all my life  
Ask me how long I'll need you  
Ask me how long I'll be there [Chorus]  
Forever isn't long enough to give you my love, to give you my love  
Till the end of time isn't time enough for everything I want to do  
Forever isn't long enough to give all my love to you  
I watch you as you sleep; I'm jealous of the night  
I'd steal you from your dreams just to buy more time  
So much in my heart, so much in my soul  
A lifetime ain't enough to ever let you know  
Tell me this will be for always  
Tell me you'll always be there [Chorus]  
'Cause the time is passin' by, and the more it slips away  
When I look into your eyes, I know, baby  
It isn't long enough to give you my love  
Forever ain't enough to give it all to you  
There isn't time enough to see it all through  
Forever ain't enough to give my love to you
