Don't Box Me in

Stan Ridgway

You walk
I'll run
And follow right behind youYou call
I'll come
And I won't remember where I come fromOver there
At the end of the bar
This fish keeps swimming
In a jarI feel
A tug on the line
Which end
Will I be on this time?Don't box me in
Don't box me inOne day
I'll show them
Just what I'm made ofThe'll be
A time
When I won't remember what I was afraid ofAnd I'll be swimming
In the sea
No banging on this glass
For me
My eyes saw red
When my world turned blue
So I'm leaving
Everyting that's trueAnd I'll jump into
A brand new skin
And then you won't be able
To box me in
Don't box me inDon't box me in
Don't box me in
Let go!There's a few places 'round
That I've never been
There's an ocean out there
That I gotta swim
There's a river that flows
Right past my door
I wonder...
I wonder...
What?!And if sometimes
I can't seem to talk
You'll know this blackboard lacks

A piece of chalkDon't box me in
I told you not to
Don't box me inDon't box me in
Don't box me in
Let go!
