Invisible Sun

Raccoo-oo-oon

One, two, three, four, five, six
Oh oh oh ohI don't want to spend the rest of my life
Looking at the barrel of an Armalite
I don't want to spend the rest of my days
Keeping out of trouble like the soldiers sayI don't want to spend my time in hell
Looking at the walls of a prison cell
I don't ever want to play the part
Of a statistic on a government chartThere has to be an invisible sun
It gives it's heat to everyone
There has to be an invisible sun
That gives us hope when the whole day's doneIt's dark all day and it glows all night
Factory smoke and acetylene light
I face the day with me head caved in
Looking like something that the cat brought inThere has to be an invisible sun
It gives it's heat to everyone
There has to be an invisible sun
That gives us hope when the whole day's doneOh
OhAnd they're only going to change this place
By killing everybody in the human race
They would kill me for a cigarette
But I don't even wanna die just yetThere has to be an invisible sun
It gives it's heat to everyone
There has to be an invisible sun
That gives us hope when the whole day's doneOh
Oh
Oh
