

Just In Time

Barbra Streisand

Just in time
I found you just in time
Before you came my time
Was running low I was lost
The losing dice were tossed
My bridges all were crossed
Nowhere to go Now you're here
And now I know
Just where I'm going
No more doubt or fear I've found my way
For love came just in time
I've found you just in time
And changed my lonely life that lucky day
