Tasty (feat. Blogilates & KaliMuscle)

Jason Chen

I just ate 'cause why must they taste so good?
Can't have a bread? Even though I know our relation.
A moment on the lips, forever on the hips.
Losing weight would be easy if it wasn't so Tasty.
So Tasty, So Tasty, So Tasty, So Tasty(If it weren't so Tasty)
Time to head down to the beach.
Been doing so good all week.
Gonna take a shirtless selfie.
Really looks nothing like me.
But I eat meat everyday, keeps the six packs away.
It's way to hard to eat clean.
I'll just have abs and nighty.
Mirror, mirror on the wall, who's the fattest of them all?
Oh.....Even got a taco at the mall.
Mirror, mirron on the wall, who's the famous of them all?
I promise no more ice at all.
Oops, I just ate 'cause why must they taste so good?
