We DonÂ't Need Another Hero (Thunderdome)

Tina Turner

Out of the ruins
Out from the wreckage
Can`t make the same mistake this time

We are the children

The last generation

We are the ones they left behind

And I wonder when we are ever gonna change

Living under the fear, till nothing else remainsWe don't need another hero

We don't need to know the way home

All we want is life beyond

ThunderdomeLooking for something

We can rely on

There's gotta be something better out there

Love and compassion

Their day is coming

All else are castles built in the air

And I wonder when we are ever gonna change

Living under the fear till nothing else remains All the children say

We don't need another hero

We don't need to know the way home

All we want is life beyond

ThunderdomeSo what do we do with our lives

We leave only a mark

Will our story shine like a light

Or end in the dark

Give it all or nothingWe don't need another hero

We don't need to know the way home

All we want is life beyond

Thunderdome
