

It's My Life (Extended)

Ryan Paris

It's my life, nobody told me, it's my life, nobody showed me
It's my life, and I'm gonna listen to my heart, yeah
It's my life, nobody told me, it's my life, nobody showed me
It's my life, and I'm gonna listen to my heart, yeah
It's my life

When they say that no one love lasts forever
Day by day I'm gonna keep our love alive
And I want to go straight for my way
Whatever they told me
And I try it again and again, yeah
May be wrong or right

When they say that no one love lasts forever
Day by day I'm gonna keep our love alive
And I want to go straight for my way
Whatever they told me
And I try it again and again, yeah
May be wrong or right

It's my life, nobody told me, it's my life, nobody showed me
It's my life, and I'm gonna listen to my heart, yeah
It's my life, nobody told me, it's my life, nobody showed me
It's my life, and I'm gonna listen to my heart, yeah
It's my life
