

# It's So Easy

## Stitched Up Heart

No I won't waste  
Another night  
Not one more  
Minute of my time  
It's too late  
Let's not pretend  
It's not the endIt's been dead  
For quite some time  
Don't you say we never tried  
Cause it's the end of usI don't give a damn about you  
Just read between the lines  
It's so easy to walk awayNow let me go and turn the other way  
I'm done with all these games  
It's so easy to walk awayNo I won't stay  
Another night  
Another second  
Of my life  
Go away  
Let's not pretendCause it's the end of usI don't give a damn about you  
Just read between the lines  
It's so easy to walk awayAnd it'll just go on and on and on ya know  
It'll just go on and on ya know  
And that's why we're, we're done  
It's over now, It'll just go on and on ya knowI don't give a damn about you  
Just read between the lines  
It's so easy to walk away
