Wrapped

Ultraspank

I'd like to kill nobodyHold me to the light
All this for me
Arms wrapped around meBreathe
Out
Gold
ColdHold me to the light
Hold me to the light
Hold me to the light
Hold me to the lightHold me to the light
All this for me
Arms wrapped around meBreathe
Out
Gold
ColdAll I could want
All I could need
All I could feel
All I could seeDamn myself
Am I safe?Bought myself a better life
Gave myself a reward
A worse hand was never dealt
A worse hit was never feltDamn myself
Am I safe?I'd like to kill nobody
I'd like to kill nobody
I'd like to kill nobody
I'd like to kill nobodyBack
My
Self
Paid the priceBack
My
Self
Bought you a better lifeHold me to the light
See what I just might
Offer up forgiveness
Think that I'd forget this?With all I could want
With all I could need
With all I could feel
With all I could seeBought myself a better life
Gave myself a reward
A worse hand was never dealt

A worse hit was never feltI'd like to kill nobodyHold me to the light
All this for me
Arms wrapped around meI don't think so
I don't think so
I don't think so, think so
I don't think so
I don't think so
