

Luz y Verdad

Antonio y Joel Con Labranza

Verso 1 / Verse 1

En mis pruebas, en mi dolor
In my trials, in my pain

TÃº siempre estabas
You were always there

En mis luchas, en el temor
In my struggles, in the fear

Pude ver tu amor
I could see Your love

Y aunque pensÃ© que solo me encontraba
And even though I thought I was alone

Ahora entiendo que TÃº siempre dabas
Now I understand that You always gave

Las fuerzas para continuar
The strength to carry on

â„»

Coro / Chorus

TÃº eres mi luz, mi verdad
You are my light, my truth

Mi camino
My way

Cuando perdido estoy
When I am lost

Eres mi luz, mi verdad
You are my light, my truth

En ti confÃ­o
In You I trust

No hay nadie como TÃ°, JesÃ°s
There is no one like You, Jesus

JesÃ°s
Jesus

â,»

Verso 2 / Verse 2
En mis pruebas, en mi dolor
In my trials, in my pain

TÃ° siempre estabas
You were always there

En mis luchas, en el temor
In my struggles, in the fear

Pude ver tu amor
I could see Your love

Y aunque pensÃ© que solo me encontraba
And even though I thought I was alone

Ahora entiendo que TÃ° siempre dabas
Now I understand that You always gave

Las fuerzas para continuar
The strength to carry on

When I thought everything was already over

Luz y verdad encontr  
Light and truth I found

Cuando T   llegaste
When You came

Light and truth I found

Y me diste una nueva raz  n
And You gave me a new reason

De vivir y seguir adelante
To live and keep moving forward

  ,»

Only in You I trust
