Move Over

Sweet Deliverance

Things look bad from over here
Too much confusion and no solution
Everyone here knows your fear
You're out of touch and you try too much
Yesterday's glory
Won't help us today
You wanna retire?
Get out of the way
The country needs a father, not uncle or big brother
Someone to keep the peace at home
If we can't get together, look out for stormy weather
Don't make me pay for your mistakes, I have to pay my own
Yesterday's glory
Won't help us today
You wanna retire?
Get out of the way
I ain't got much time
The young ones close behind
I can't wait in line

If we cannot wake you then we'll have to shake you
Though some say you'll only understand a gun
Got to prove them wrong or you will lose the battle
Don't you know we'll start a war which will be won by none
Yesterday's glory
Won't help us today
You wanna retire?
Get out of the way
I ain't got much time
The young ones close behind
I can't wait in line
Move over
Come on, move over
You know I ain't got time
And yesterday, the young ones are close behind
Even tomorrow, so I can't wait in line
You know I needed your place yesterday
