

# Move Over

## Sweet Deliverance

Things look bad from over here  
Too much confusion and no solution  
Everyone here knows your fear  
You're out of touch and you try too much  
Yesterday's glory  
Won't help us today  
You wanna retire?  
Get out of the way  
The country needs a father, not uncle or big brother  
Someone to keep the peace at home  
If we can't get together, look out for stormy weather  
Don't make me pay for your mistakes, I have to pay my own  
Yesterday's glory  
Won't help us today  
You wanna retire?  
Get out of the way  
I ain't got much time  
The young ones close behind  
I can't wait in line

If we cannot wake you then we'll have to shake you  
Though some say you'll only understand a gun  
Got to prove them wrong or you will lose the battle  
Don't you know we'll start a war which will be won by none  
Yesterday's glory  
Won't help us today  
You wanna retire?  
Get out of the way  
I ain't got much time  
The young ones close behind  
I can't wait in line  
Move over  
Come on, move over  
You know I ain't got time  
And yesterday, the young ones are close behind  
Even tomorrow, so I can't wait in line  
You know I needed your place yesterday
