

Love Zone

Billy Ocean

Don't you believe that I want you?
I need you here in my arms
Although you won't have to worry
I'll spend each day in your charms Oh I, I wanna kiss you all over
Running my hands through your hair
Oh I know a place where love is
I'll keep you warm night and day In the love zone
You don't have to be alone
Together we can live and learn
In the love zone Come rest your head on my shoulder
And we'll count the stars in the night
I wanna feel you beside me
Oh just holding you tight I wanna give you little tenderness
Letting you know that you're loved
Oh, I wanna hold you close to me
To keep you warm night and day In the love zone
You don't have to be alone
Together we can live and learn
In the love zone Oh baby don't you know
I'll do the best I can to be good for you
But when love's a guarantee there is no mystery
You'll never be a stranger out there on your own in the love zone Come with me baby Your love made the
difference in my life
You'll never be alone Love zone
You don't have to be alone
Together we can live and learn
In the love zone So come along with me baby yeah
I, I keep you warm night and day
Come rest your head on my shoulder
We can count the stars every night
Oh I wanna feel you beside me
