Love Zone

Billy Ocean

Don't you believe that I want you?

I need you here in my arms

Although you won't have to worry

I'll spend each day in your charmsOh I, I wanna kiss you all over

Running my hands through your hair

Oh I know a place where love is

I'll keep you warm night and dayIn the love zone

You don't have to be alone

Together we can live and learn

In the love zoneCome rest your head on my shoulder

And we'll count the stars in the night

I wanna feel you beside me

Oh just holding you tightI wanna give you little tenderness

Letting you know that you're loved

Oh, I wanna hold you close to me

To keep you warm night and dayIn the love zone

You don't have to be alone

Together we can live and learn

In the love zoneOh baby don't you know

I'll do the best I can to be good for you

But when love's a guarantee there is no mystery

You'll never be a stranger out there on your own in the love zoneCome with me babyYour love made the

difference in my life

You'll never be aloneLove zone

You don't have to be alone

Together we can live and learn

In the love zoneSo come along with me baby yeah

I, I keep your warm night and day

Come rest your head on my shoulder

We can count the stars every night

Oh I wanna feel you beside me
