Miss the kissin

And miss the way you touch me

Why dont we enjoy the beauty of life?

Yalla Baby[Karl Wolf]

Lately, seems like I havent had the time to enjoy life with you girl
But maybe I should take break from the limelight so we can get away
At least for a few days or a few weeks (yeah)
It would be amazing to treat ourselves just a little bit girlWe can go

Far away

To a sunny place

Yalla Habibi

We can fly

To a place and hide

So we can spend time

Yalla Habibi

I miss the cuddlin

Miss the kissin

And miss the way you touch me

Why dont we enjoy the beauty of life?

Yalla Baby[Rime]

Baby its funny how you say this
Cause I was thinking the same thing
And honey we used to be like Bonnie and Clyde
But now we barely make time for each other

Lets take a trip together

Go somewhere just you and I

Cause baby its been a whileWe can go

Far away

To a sunny place
Yalla Habibi
We can fly
To a place and hide
So we can spend time
Yalla Habibi
I miss the cuddlin
Miss the kissin
And miss the way you touch me
Why dont we enjoy the beauty of life?
Yalla Baby[Kaz Money]

Somehow you keep me in the zone like Alazay
Either way you deserve it oh youre a queen like Nefertiti
