Love Show (Tom Novy Remix)

Skye

Sit down
Give me your hand
I'm gonna tell you the future
I see you
Living happily
With somebody who really suits you
Someone like me
Stand still
Breathe in
Are you listening?
You don't know
Somebody's aching
Keeping it all in
Somebody won't let go
Of his heart
But the truth is
It's painless
Letting your love show
Break down
Give me some time
I don't want the fear to confuse you
Right now
It's so wrong
But maybe it's all in the future
With someone like you
Stand still
Breathe in
Are you listening?
You don't know
Somebody's aching
Keeping it all in
Somebody won't let go
Of his heart
But the truth is
It's painless
Letting your love show
Maybe truth
Maybe lies
Made me want you

Maybe dumb
Maybe wise
I don't know
Somebody's aching
Keeping it all in
Somebody won't let go
Of his heart
But the truth is
It's painless
Letting your love show
You don't know
Somebody's hurting
Holding it all in
Somebody can't let go
Of his heart
But the truth is
It's painless
Letting your love show
Letting your love show
