

Pens And Needles

Hawthorne Heights

I miss you most on winter mornings
As we drift we slip through evenings, whoa
We drive into the cold and dark with fingers crossed
I follow your lies to avoid from getting lost And all I had was the memory of what was
So let's pretend it never mattered to us
I hope this message finds you well
I never thought I'd live to tell Just to survive we do what we can
We read the maps and signs and we make the plans
By our design I write it down to get me by
The worst time in my life And all I had was the memory of what was
So let's pretend it never mattered to us
I hope this message finds you well
I never thought I'd live to tell
What's a dream and what is real? The way I really feel I hope this message finds you well
I never thought I'd live to tell
What's a dream and what is real?
So let's pretend this is the ending
To the message I've been sending, sending And all I had was the memory of what was
So let's pretend it never mattered to us
I hope this message finds you well
I never thought I'd live to tell
What's a dream and what is real? The way I really feel I hope this message finds you well
I never thought I'd live to tell
What's a dream and what is real? The way I really feel
