

# Bitters Block

## Gym Class Heroes

This is not novelty  
This is nothing delicate  
This is the result of your Google search  
For something relevantStake claim immediately  
'Cause hot products cool down  
At which point they'll flock to new soundsTake fame intravenously  
But when nature turns to habit  
Ill be sure to leave the scene you started stagnantThis is nothing fraudulent  
This is that sure shot itchy finger lingering  
Behind your target audienceYou got em all convinced  
But we aint buying it buddy  
Demand for lies is high  
And youre supplying itTruth is brutal and it consumes you if you let it  
Type that in your little away message and send itKeep singing songs for me  
That I can write in my sleep, it's like Im counting sheep  
Keep singing songs  
Man you warning me, what you all are not to beKeep singing songs for me  
Just following the leader with your blah blah blah  
Keep singing songs  
That I can write in my sleep, it's like Im counting sheepAnd this is not a fashion statement  
Its elegant intuition  
Far beyond your bed wetter kindergarten compositionsThis is a part of me  
How can you sleep at night  
When what you dont bite you write half-heartedly?Go join the army  
And be the best you can be  
Give new meaning to blowing up overseasPlease, we kick them doors down  
When nobody would let us in  
And give you that proverbial taste of your own medicineWe took your formula  
And relabeled it  
And sat patiently and giggled it when you drank it, seeIts new poison street cred when  
Just about the same reflesh the pan dance  
Pop bottles and drop namesAnd youll dismiss it cause it isnt what youre used to  
But who the f\*\*\* died and made you King Koopa?Keep singing songs for me  
That I can write in my sleep, it's like Im counting sheep  
Keep singing songs  
Man you warning me, what you all are not to beKeep singing songs for me  
Just following the leader with your blah blah blah  
Keep singing songs  
That I can write in my sleep, it's like Im counting sheepWow, congratulations on your new purchase

I heard you bought a crib on biters block  
Downtown plagiarisms paradise You're not a movement  
You're purely amusement  
The poster boy for Xerox and a role model for parasites You serve no purpose  
You're purely decorative  
And bore us to death with your auditory sedatives Oh, they don't see  
No, we don't sleep  
And hog tie your runaway bride with cold feet We built this city on lock and load logic  
And burned it down the same night So go ahead and put your tears on ice baby  
I think we got a winner  
And kiss your crucifix, your boys a certified sinner Keep singing songs for me  
That I can write in my sleep, it's like I'm counting sheep  
Keep singing songs  
Man you warning me what you all are not to be Keep singing songs for me  
Just following the leader with your blah blah blah  
Keep singing songs for me  
That I can write in my sleep, it's like I'm counting sheep Keep singing songs for me  
That I can write in my sleep, it's like I'm counting sheep  
Keep singing songs  
Man you warning me what you all are not to be Keep singing songs for me  
Just following the leader with your blah blah blah  
Keep singing songs  
That I can write in my sleep, it's like I'm counting sheep
