Chorus:

Created for worship, created to praise His name  
Created to overcome, that's why I'm here...  
God has a plan for me; He gave me all I need.  
No defeat, only victory; I was created for this.  
No defeat, only victory; I was created for this.(Repeat Chorus)

Verse:

So I'm not worried  
He wasn't given me a spirit of fear

With all power and authority;  
I was created for this. I was created for this.

(Chorus -> Verse)
