

If You Don't Love Me

Michael Jackson

Lookin over my photographs
I saw a picture of you and me lovin, baby
I had to write you, just to tell you that
and to find out, you're really now missin me'Cause If you dont love me

If you dont love me
If you dont love me
If you dont love me
If you dont need me
Just like I need you
If you dont love me

Just like I love youIf you dont love me (If you dont love me)

If you dont love me (If you dont love me)

If you dont love me (If you dont love me)

What would I do?'Cause I'm in love with youI told the doctor that I'm broken-hearted

And my tempature has risen to a hundred and three

Why dont you write me back

and save me girl,

To make what I wanna hear, like you're missin me'Cause if you dont love me

If you dont love me
If you dont need me
If you dont need me
If you dont want me
The way I want you
If you dont love me

If you dont love meIf you dont love me (If you dont love me)

If you dont love me (If you dont love me)

If you dont love me (If you dont love me)

What would I do?'Cause I'm in love with youOh Baby, Baby, I've been missin you

From such a long, long time ago.

You changed your number and I couldn't call you,
so I couldn't tell you so.

I had to write you just to tell you that.

I may be kissin' on your photograph.If you dont love me (If you dont love me)

If you dont love me (If you dont love me)

If you dont love me (If you dont love me)(Aaahhh)Baby, Baby, Baby,If you dont love me (If you dont love me)

If you dont want me (If you dont love me)

Give it to me (If you dont love me)(Aaaahhh)Baby, Baby, BabyIf you dont love me (If you dont love me)

If you dont love me (If you dont love me)

And I dont love you (If you dont love me)

If you dont need me (If you dont love me)Give it to me, Give it (If you dont love me)
Give it to me, Baby (If you dont love me)
If you dont love me (If you dont love me)Love me (If you dont love me)

I'm beggin my, HEY! (If you dont love me)(Aaaahhhhh)Spoken: I dont know I'm gonna do, all I know
is...Baby, Baby, Baby, BabyIf you dont love me (If you dont love me)

If you dont need me (If you dont love me)I'm beggin my, HEY! (If you dont love me)
