And add a six on it
Call me Yung J O C I'm bout to spit on it (yeah)

I'ma I'ma put it on her (yeah)
I'ma I'ma put it on her (yeah)

Doing my two step off of club pure
The Girl walks by rocking christian diore
We mix it up like juicy lacore
I put it on her, time to rock some juicy catore

Take a backseat lets do it in the bj
Yeah I know that sounds so cliché
She outta breathe cause we been cutting like a DJ
She's on top of me, beneath me is the freeway (ooh)

Honey walked up in the club dress lookin' like it's painted on
I can tell that she ain't got any panties on
Well, baby that's the way that I like it (yeah)
And I know she's from the hood
The way she drop it so hard

Booty bumpin' like the sounds in my car (she should)

Let me take it up a notch

Get her off the block

Take her to my spot and it's on

[Chorus: x2]

I hope she's ready

Cause she about to get it

Like how she move her body

So I'm about to hit it

Now put it on her (put it on her)(x4)

She got me in a daze

Thinking bout the ways I'ma get her tonight

I'ma put her on my stage

Let her do her thing

Let her play on the mic

She got that swagger

The way she move it like a pro

Love the way she drop and get low (get low)

That's why I let her

'Cause I gotta get her home

Show her how I do when I put it on

[Chorus: x2]

I hope she's ready

'Cause she about to get it

Like how she move her body

So I'm about to hit it

Now put it on her (put it on her)(x4)

Baby tell me if your ready to go home with me tonight

I got the bed ready

Girl I'm gonna set you free

Tonight tonight

Let's go

Come on [Repeat: x2]

Let's go

Come on [Repeat: x2]

Hey yo fellas

Let me get some of this, it's Diddy (let's go)

Just say the word I'ma put it on ya
You can say you touched the president, Cerock Obama
I'm a bad boy and that's what bad boys do
Black ice, black coop, black cars too
Don't tattoo my name, tattoo my logo
Let the whole world know you're fucking with a mogeul
You don't need a closet
Take you to Taiwain
You can have the whole warehouse, ladies Sean John

And on the 14th I'll buy the whole island
Name it after Champagne and call it Chris Stylin' (Cerock)
Yeah, I knew that'd have you smilin
Like Day26 I'll have your ring finger shinin

I'ma put it on her

[Chorus: x2]

I hope she's ready
'Cause she about to get it
Like how she move her body
So I'm about to hit it
Now put it on her (put it on her)[Repeat: x4]

Baby tell me if your ready to go home with me tonight, tonight
