

In Bloom

Four Year Strong

Sell the kids for food
Weather changes moods
Spring is here again
Reproductive glandsHe's the one
Who likes all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it means
Knows not what it means
when I say
He's the one
Who likes all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it means
Knows not what it means
when I say yeah
We can have some more
Nature is a whore
Bruises on the fruit
Tender age in bloomHe's the one
Who likes all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it means
Knows not what it means
when I say
He's the one
Who likes all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it means
Knows not what it means
when I say yeah
He's the one
Who likes all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it means

Knows not what it means
when I say
He's the one
Who likes all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it means
Knows not what it means
Knows not what it means
Knows not what it means and I say yeah
