

# Every Morning (Ultra DJ's Remix)

## Basshunter

There is one girl in my life  
That makes me love again  
As pretty as a girl could be  
So beautiful.

Every morning she makes me a cup of coffee  
With a smile on her face  
I'm a man in love

And she's glorious  
There is one girl in my life  
That makes me love again  
As pretty as a girl could be so beautiful.

Every morning I wake up and I think of you  
With a smile on my face  
I'm a man in love

And she's glorious  
Oh baby I want you to stay in my life  
Never say goodbye even if you cry  
I'm still by your side

Oh baby I want you to stay in my life  
Never say goodbye even if you cry

I'm still by your side  
There is one girl in my life  
That makes me love again  
As pretty as a girl could be  
So beautiful.

Every morning she makes me a cup of coffee  
With a smile on her face  
I'm a man in love

And she glorious  
There is one girl in my life  
That makes me love again  
As pretty as a girl could be so beautiful.

Every morning I wake up and I think of you  
With a smile on my face  
I'm a man in love

And she's glorious  
Every morning she makes me a cup of coffee  
With a smile on her face  
I'm a man in love and she's glorious  
Every morning!
