

# Pleasure Seeker

## Naked Music

Here I come  
I'm on a run  
Who wants to fight temptation  
That's no funC'mon and play the games  
Don't you feel no shame  
That's what Eve said to Adam  
Before she cameYou can smile, now cry later on  
You know that it might be wrong  
But it feels so good  
Like you know it wouldThere's damnation and disgrace  
And guilt rears its ugly face  
Yet you beg for more  
Just a little moreStand in line  
Don't you lose your mind  
Try like me to seek your pleasures  
Three at a timeThere's souls for sale  
You're gonna burn in Hell  
And if tomorrow never comes  
It's just as wellYou can smile, now cry later on  
You know that it might be wrong  
But it feels so good  
Like you know it wouldThere's damnation and disgrace  
And guilt rears its ugly face  
Yet you beg for more  
Just a little moreFeel the pain  
I feel it too  
Have your hedonistic ways  
Got the best of youPlay the games  
Don't feel no shame  
That's what Eve said to Adam  
Before she cameYou can smile, now cry later on  
You know that it's definitely wrong  
But it feels so good  
Like you know it wouldThere's damnation and disgrace  
And guilt rears its ugly face  
Yet you beg for more  
Just a little more  
Come on beg for more  
Just a little more
