Johnny Gunman

Jackie Edwards

You don't wanna know me
You don't wanna know me
I can remember all that you told me
(Who said)
Johnny you are a gunman,
Johnny you are a gunman
Running over town,
Kicking up a stone
I don't blame you
But I can help you
You will
You will go to jail
And then i will never see your face again
You say you dont really want to change, oh no
You think you are a big man with your gun
But let me tell you there is no where you can run, no no
The babys will want they bring you down
Johnny you are a gunman(gunman),
johnny you are a gunman(gunman)
Johnny you are a gunman, johnny you are a gunman
And i will never see your face again, oh no
Johnny you are a gunman(gunman),
Johnny you are a gunman(gunman),
Johnny you are a gunman, running over town
Johnny you are a gunman, running all around
Johnny you are a gunman, running over town...
