F.Y.I.

Woe Is Me

With the devil on my back
And God in my heart
I used the hands that built you up
To fucking rip you apartYou turned their whole world upside down
And filled heads with doubt
But thereÃ¢Â€Â™s just one small thing you forgot about
That on the other side of heaven
ThereÃ¢Â€Â™s always a hell
And thatÃ¢Â€Â™s one fucking place I know all too wellSo IÃ¢Â€Â™ll pick up a pen
And from beginning to end
IÃ¢Â€Â™ll write the three words we will defend:
Follow your dreams
Go!DonÃ¢Â€Â™t give in
To all the lies that they fed you
And everything they said about me
Just to deceive you
So let me ask you
Why would I give a fuck?So sit back, enjoy the show
ThereÃ¢Â€Â™s just a few things I think you should know
Like how your sticks and stones
WonÃ¢Â€Â™t break these bones
Or seize the throne
Because IÃ¢Â€Â™m the man of steelSo before you place the blame on anyone else
Why donÃ¢Â€Â™t you take a step back and fucking start with yourself?
We never gave up
We never gave in
We never gave up on you
So donÃ¢Â€Â™t give up on me!
